agree with you. "I don't mean that at all," Mr. Mal lard Duck corrected himself, "I mean they become you. They make you took so heat and nice and so handsome." "I'm immensely flattered," said Mrs.

Mallard Duck. "Do you know," said Mr. Mallard said Mr. Frigate Bird. Duck, "I am giving a dinner this evening. I do hope you will receive my

suests for me. "Where are you going to have it, by the meadows where we can find some grain or near the water?"

"I will have it near the w about."

Mollusks are sen food-a kind of sen autual in a hard shell.

"That sounds very nice, Mr. Mallard," said Mrs. Matlard, "and I will

be delighted to receive the guests." They began to send out more lavi-

tations, for Mr. Maffard had Just found that there would be enough for quite a few more and they called out in their quacking voice which some very twingy and as though they were talking through their beaks-or as people would say-through their nose, "Quack, quack, come to the dinner brown."

party," each called again and again. "Quack, quack, there is going to be food, food, food," said Mr. Mailure are Bird.

food, sea food," said Mrs. Mallard Mrs. Frigate Bird's remark. Duck.

"Nice delicacies and the best of ev | ish color as far as I can tell," erything," said Mr. Mallard Duck, quacking hard.

In fact, they caffed so lowlly that own billy

all the guests who had been invited bewanted to be in plenty of time."

In truth they were ahead of time. And all of those who had just been wear," invited came hurrying along. Everyone came rushing to the party.

They had a beautiful time and ate their mollusks in the shallow water Mr. Frigate Bird. near at hand.

The Mr. Mallard Ducks talked about some of their relatives who had lately bill better." been taken to the zoo to be shown off as beautiful ducks.

They also said that, and to relate be the dinners for people,

They said it was one thing to give a mean and it is a good one, I say your been filed in the Clerk's office of the dinner party and another to be the point is well taken."

food at the dinner. The Mrs. Mailard Ducks talked of "now I understand." the nests they had built in the spring.

all lined with

soft feathers with lovely grass to make the home so soft and comfy.

And they talked of the grassy places near the water where they had hidden their nests and of the eight and nine little eggs they Inid, dear, heautiful olive green

eggs. "Well, quack, quack, your din-
